EXAMINER

Andrea M. K. J.

DATE CONSIDERED

Nov 5, 2002

EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 509; Draw line through citation if conformance and not considered. Include copy of this form with next communication to Applicant.

- The attached cited information should not be construed as an admission that any of the above items are prior art to the invention.
- This is not a representation that a search has been made.
